

Schroeder PowerBend Industrial

Product code	92-000451
Manufacturer	Schroeder
Model	PowerBend Industrial
Type	Swivel bending machine
Condition	New machine
Control	Sonstige POS 2000 Professional
Year of manuf.	2022

Control

add. function

POS 2000 Professional
2 pcs
remote maintenance
Radius Step Bending function

Technical data

Effective length
Sheet thickness (400 N/mm²)
Machine length
Machine height
Machine weight

3,240 mm - 4,040 mm
6.0 mm - 5.0 mm
5,080 mm - 5,878 mm
2,610 mm
12,600 kg - 15,200 kg

Upper beam

Drive
Opening
Upper flange geometry
Tool clamping

2x3.0 kW
650 mm
180°
hydraulic (WZS 2000)

Bending beam

Type
Drive
Manual folding beam adjustment
Tool clamping
Central crowning
Bending center adjustment

Up`n Down
2x5.5 kW
motor-driven 160 mm
hydraulic (WZS15100/15200)
motor-controlled
motor-controlled +80/-15 mm

Bottom beam

Bottom beam

Minimum stop

30° one-piece 1,100 N/mm², hardened surfaces (WZS 16200)
20 mm

Back gauge

Gauge finger

Supporting table

Rotary ball spindle

Positioning stop, size U

pneumatic lowerable

with balls

+/- 0,1 mm

20 - 1600 mm 2 sectors
